

S360

*To laugh often, to win the affection of children,  
To earn the appreciation of honest critics and endure  
The betrayal of false friends, to appreciate beauty,  
To find the best in others, to leave the world a bit better,  
Whether by a healthy child, a garden patch... to know even  
One life has breathed easier because you have lived.  
This is to have succeeded.*

*Emerson*

S361

*Great minds discuss ideas, average minds discuss events, small minds discuss people.  
Learn from the mistakes of others,  
You can't live long enough to make them all yourself.  
To handle yourself, use your head,  
To handle others use your heart, many people will  
Walk in and out of your life,  
But only true friends will leave footprints in your heart.*

*Eleanor Roosevelt*

May you walk gently through the world and  
Know its beauty all the days of your life.

The more you chase it the more it will elude you but if  
You turn your attention to other things it will come  
And sit softly on your shoulder...*
