

Read all instructions included with Napa FireLites™ and NapaFire pourable gel fuel before use

DIRECTIONS

- Place your Napa FireLite™ in a safe and secure non-flammable area
- Citronella Fuel is Outdoor Use Only
- Shake well and pour slowly
- Fill fuel reservoir up to 1/2" from the top
- Do not overfill fuel reservoir
- Clean any spills with water before lighting
- Use only a long match or extended lighter to start flame
- Do not attempt to move or touch unit while burning
- Do not obstruct or inhibit flame
- Use Flame Snuffer included with each FireLite to extinguish flame.
- Do not smoke near burning FireLite

CLEANING AND RELIGHTING

Clean the exterior of your FireLite with a wet sponge or damp cloth. Do not use any harsh chemicals, such as Windex or 409.

If you have leftover gel, it may have a slight crust on the top surface. Stir existing gel with a plastic or wooden stick before pouring additional fuel into reservoir. Light as usual with a long match or fire starter.

CLEANING STAINLESS STEEL CUP

To clean the stainless steel cup, simply wipe inside of the cup with paper towel. Use steel wool for further cleaning. Rinse canister with warm water, dry before adding more gel into reservoir. Please be sure to wash hands after every cleaning.

Stainless steel cups and Flame Snuffers may be purchased from the Napa Retail Store where you purchased your FireLite.

WARNINGS!!!

- KEEP OUT OF REACH OF CHILDREN AND PETS
 - Never leave a burning FireLite unattended
 - Do not mix fuel with any other substance
 - Use only with Napa FireLite containers, do not transfer fuel to any other container
 - Do not use for cooking purposes
 - Do not add fuel when lit and never pour gel on an open fire or hot surface
 - Use only NapaFire™ pourable gel fuel distributed by Napa Home & Garden
 - Always place FireLite in a secure non-flammable area and do not obstruct or inhibit flame.
 - Always burn in a well ventilated area
 - To prevent freezing/cracking in cold climates, bring indoors when not in use.
 - Use NapaFire™ pourable gel fuel within one year of purchase
- Do not ship this product by AIR, Not allowed for airline carry on or checked luggage

CONTAINS: Isopropyl Alcohol

Avoid contact with eyes, mucous membranes or prolonged contact with skin. May irritate eyes. Store in a cool, dry place. Keep away from flame, heat or items that spark.

Use in well-ventilated areas. Keep out of reach of children and pets. In case of fire, use a CO2 fire extinguisher.

FIRST AID: If gel gets in eyes, flush with water for 15 minutes; get medical attention. If ingested, do induce vomiting
